Comments	
<p>This is Part 1 of a two-part electronic IDS for this application. A paper IDS is also being filed to make of record relevant foreign patents and non-patent prior art. Since these various parts of the IDS are being filed after the issue of the first Office Action on this application but prior to a Notice of Allowance, in accordance with the Deputy Commissioner's Notice of August 20, 2002, the fee for the late submission of an IDS is being paid with this part, and no fee is being paid with the second part of the electronic IDS or the paper IDS. The Examiner's attention is respectfully directed to the paper IDS for full comments on certain "substitutions" of references.</p>
